Greetings!

It is my sincere pleasure to welcome everyone to the Indiana Radio Frequency Alliance. Although I'm not able to be with you today, please know that I appreciate your hard work and celebrate your achievements. More importantly, I applaud your efforts in making a real difference here in Indiana.

The 2007 Indiana Defense Asset Study has identified defense electronics as one of the state's strengths. I'm very pleased to hear Indiana Radio Frequency Alliance has created a sub-group of highly focused and driven experts to further the defense asset study. Your collaboration and leadership is critical to improving our connectivity, collaboration, and economic development for the defense industry in Indiana.

I'm pleased by the commitment the radio frequency community continues to show. On behalf of all Hoosiers, we salute your good work. Thank you for all that you do to move Indiana forward.

Sincerely,

Becky Skillman  
Lieutenant Governor
